From Our Family to Yours

Dear Teachers, Dancers, Family and Friends,

Welcome to Tribute National Talent Competition Season 7. As we begin this new year of dance, we continue to be inspired in so many ways by those that attend our events. We feel very blessed to host an event that gives us the opportunity to do what we love while making wonderful memories. The excitement that we have for this new season is incredible and it is a wonderful feeling to have so much to look forward to and to enjoy each new experience with grateful hearts.

Back in 2011 when we started Tribute, we knew that our focus was to not be just another dance competition. In the industry today, there are over 300 different organizations to choose from. Knowing that our company is one of many, we try to focus on things that can greatly impact others in a positive way. We want you to always experience something unique and different when you attend a Tribute event. There is more to producing a dance competition than a backdrop, state of the art lighting, sound and a big trophy. We want teachers, dancers and families to share their love for the art of dance in an environment that is truly special; a place where they too feel loved and appreciated by our family and our amazing staff. It is said that “We live our lives looking forward, but we can only fully understand our lives by looking back”. We as a family take time to look back and remember where we started and where we are today. Because of the wonderful support that we have received we know that we would not be in business if it was not for YOU. Seeing where we began and how we have progressed over the years we also remember that along the journey we have been inspired by the actions, words and teachings of others which has encouraged and enriched our lives.

We can’t thank you enough for your support and for adding our family business to your calendar this year. Even though we are smaller based on the number of events we have, we continue to do our part to give back and focus on what we can do for others and how we can make a difference. On behalf of our entire staff, we want you to know that we are humbled and honored that you are here with us this weekend. With the love that our staff shares as a family team, we want you to feel like a part of our family and leave this event feeling inspired in some way. It is our job to make Tribute an event that everyone enjoys and for you to experience an event that you can say “I am so glad we came”. Feel confident knowing that we are here for you and we wish you all so much happiness, joy and success in this new season of dance.

With Gratitude and Appreciation,

The Troglia Family
1) On the next few pages you will find detailed maps of Missouri Baptist University. Tribute will be in the Pillsbury Hall in the Fine Arts Center. This is #2 on the map. There is parking in lot B as well as overflow in A. The main entrance is in on the East side of the building as well as in the front.

2) Due to limited backstage space and safety, Props should be unloaded on a daily basis only and cannot be stored in the backstage area. At this venue props cannot be unloaded all at once. For props there is a large access door behind the building which is ground level with the stage. There is no loading dock at the venue and everything is ground level. Note that there is limited backstage space so all props must remain outside or on trailers until used for routines. There is a large concrete pad outside by the stage door in which to construct props.

3) The venue will be providing concessions that will be open during our event with a variety of food and drink. They provide a designated area for eating and there is plenty of room to eat in the lobby. Please help keep the venue clean as they have just replaced all of the carpet in auditorium, so it is asked that NO FOOD OR DRINK BE BROUGHT INTO THE AUDITORIUM AREA and ONLY BOTTLED WATER IN THE DRESSING ROOMS PLEASE.

4) Dressing rooms are assigned for this event and please refer to page 5 for assigned dressing rooms. There will be 7 designated areas for dressing rooms and one boy’s dressing room. On the main floor there will be 4 areas and on the lower level there will also be 3 areas to use. Note that space 7 is a very long hallway that will be used as overflow dressing space. MEN ARE NOT ALLOWED DOWNSTAIRS IN THE LOWER LEVEL DRESSING SPACE AREA.
Here are the assigned dressing rooms for our event. I am basing the assignments on the number of dancers that will be performing each day by studio and also taking into consideration the maximum number of dancers in any single routine from any studio. Based on those numbers here are the assigned dressing areas. *IF FOR ANY REASON THE ROOMS BECOME CROWDED DURING GROUPS, WE ASK THAT IF THERE IS MORE SPACE IN ANY OF THE ROOMS TO PLEASE SHARE WITH OTHER STUDIOS.*

Main Source for your music is a Flash Drive

**2018 MUSIC FORMAT**

Just as a reminder Tribute will no longer use CD’s. Music must be given to the Emcee on a USB flash drive with your playlist. Now that the final copy of the program book is published all book numbers are assigned. The book number should be listed in front of the soloist name and the duet/trio or group song title on your playlist as shown. Place all of your routines in book number order.

**158_ John Doe**

**192_Water Under the Bridge**

As a backup to the Flash Drive we ask that you bring either a tablet, Ipad or Ipod containing all of your music just in case there are any technical issues.
“The Touching Hearts Award”

We all know that love and compassion towards others starts from your heart, so in honor of my son Jonah who has a heart condition, I created “THE TOUCHING HEARTS AWARD”. This award will signify and acknowledge thoughtfulness, compassion and love towards others at each event. Something as simple as a genuine thank you, applauding for others, saying great job or congratulations, sharing with someone who might have forgotten something they need or giving of yourself to help someone in need. Instead of just our staff selecting a winner or through some type of contest, I am asking for everyone who attends our event each weekend to play an important role in the selection process. I will ask for others to nominate studios (other than their own) simply by filling out a provided card and placing it in this nominating box. The only thing you will need to do is list the studio to nominate and a short example of something you witnessed or experienced. Sometimes we don’t always see or hear acts of generosity that go on behind the scenes at events and this will now give us all a chance to hear about something positive and inspiring that took place during the weekend.

AWARDS
JUDGES SCORING PROCESS

The scoring system is the same for both the Honor and Supreme Levels.
Each performance will receive up to 100 points per judge based on the following criteria.
Technique (15-40 points), Execution of Performance (15-30 points), Showmanship (5-20 points),
Choreography (1-5 points), Overall Appearance (1-5 points). Each act will be judged from an adjudicated
point system with multiple 1st and 2nd place awards presented within each age group for each
category. There are multiple 1st and 2nd place awards within the same age division of the category that will
be broken down and announced in placement order lowest to highest.

The scoring scale breakdown
Supreme 1st Place 285 - 300 points (95-100 per judge)
Elite 1st Place 278 - 284 points (93-94 per judge)
1st Place 270 - 277 points (90-92 per judge)
2nd Place 255 - 269 points (85-89 per judge)

The judge’s panel will break any and all ties for the overall Top Ten Finalists. Should a tie occur, first the computer system will add the 3 judge’s technique scores together; if still not broken the 3 scores from execution will be added, and if still not broken the judges will make a final decision through discussion.
